Mission Impact Report

Program Information
Fiscal Year 01/01/2015 – 12/31/2015

Highlights

- *Wild Bird Explore* Visitor Education Center opens in October 2015.
- Established a working relationship with the Cornell Lab of Ornithology.
- Kayla Gainer receives her State license and is promoted to Wildlife Rehabilitation Manager.

Providing optimum care

Mission Wild Bird Hospital – 92080 Overseas Highway

Sick and injured wild birds receive the best possible care, making it possible for many to safely return to the wild.

- 1,123 Total Patient Intakes
- 51% Release Rate
- 69 Baby Birds Re-nested
- Digitizer Installed to Provide Digital X-ray Capabilities

Providing Vital Refuge

Laura Quinn Wild Bird Sanctuary – 93600 Overseas Highway

A natural habitat to wildlife, a sanctuary for injured birds no longer able to survive in the wild.

- 30,000 Visitors Received
- 108 Permanent Residents Cared For
- 32 Species Housed

Providing Environmental Inspiration to People

Teaching simple, responsible human action toward the preservation and protection of wildlife and the environment.

- Ian Martin trains Monroe County school district teachers on Cornell's K-12 BirdSleuth curriculum
- 89 Outreach Events Conducted
- 3,432 People Reached
- 4,796 Volunteer Hours Logged

We offer endless gratitude to all the individuals and organizations around the world making generous financial contributions to these efforts; and to the countless advocates, allies and volunteers who cherish nature and believe in the power of conservation to transform our lives. You are "Team Wild Bird".

Looking forward in 2016-2017, we will:

- Continue to receive outstanding evaluations from USFWS and FWC through medical care focused on research and cutting edge rehab techniques;
- Reduce wild bird fishing hook and line injuries through community adoption of "No Hooks Left Behind" campaign;
- Increase our full time bird rehabilitation staff to 3;
- Build public restroom facilities.
